R. SUBBA RAO,
Vice-President, City Municipal Council.

Notice dated 26—27th June 1916.

A second hand Remington Standard typewriter No. 7, belonging to the office of the Inspector-General of Police in Mysore, will be sold by public auction on Monday 10th July 1916 at 3 P.M., at the said office, Malleswaram, Bangalore City. The highest bidder shall pay up the amount of his bid, failing which, it will be sold at his risk.

C. SRIKANTESVARA AIYAR,
Inspector-General of Police.

MYSORE DISTRICT.

Notice dated 6th June 1916.

The Superintending Engineer, Cauvery Reservoir Works, intimates in his letter No. 264 (Camp), dated 21st May 1916, that during the coming high floods in July and August next a portion of the Yelwal-Hassan road with the Lakshmanatirtha bridge at Sagarkatte, may come under submersion in the bed of the Cauvery Reservoir for a few days and that this portion of the road cannot be used by travellers from Mysore to Yedatore side and back.

The public are therefore warned of the inconvenience they will be put to by using the said portion of the road with the Lakshmanatirtha bridge at Sagarakatte during the coming floods. The Lakshmanatirtha bridge at Hunsur with the road from that place to Yedatore may be used instead of the Yelwal-Hassan road passing through Sagarakatte.

M. CHENNARAJ URS,
For *Deputy Commissioner.*

WATER-SUPPLY DIVISION.

The attention of the public is invited to the publication in the page 466, Part IV of the *Mysore Gazette*, dated 22nd June 1916, calling for tenders for the construction of an Elevated tank at Shimoga.

Notice is hereby given that sealed tenders will be received by the undersigned up to *12 noon of the 17th July 1916*, for the supply of the undermentioned pipes required for Shimoga Water Works.

2. An approximate estimate of quantities required is given against each item. The quantities are not guaranteed.

3. Each tender must be accompanied by a deposit of Rs. 200 in cash or Government Promissory Notes, and superscribed "Tender for the supply of pipes required for Shimoga Water-supply," in default of which, the tenders will be rejected.

4. The final acceptance of the tender will rest with the Superintending Engineer, Southern Circle, who does not bind himself to accept the lowest or any tender or assign any reason whatever for the rejection of any tender.

5. The name of the successful competitor, whose tender has been accepted, will be posted on the "notice board in the undersigned's Office" in the usual course and no enquiries regarding the acceptance or rejection or any tender will receive attention.

6. The supply must be completed within one month from the date of order, failing which, the unexecuted portion of the order will be cancelled and the order placed elsewhere and the earnest money forfeited as a penalty for non-execution of the order in full.

7. Alternative quotations for steel or C. I. Pipes may be given and the rate tendered for each item shall include cost of delivery at Shimoga Railway Station and not ex-godown.

An approximate quantity required is given below:—

No.	Particulars	Quantity
1	5" Steel pipes or C. I. turned and bored pipes of standard specification in usual lengths.	3,525 R. ft.
2	3" Steel pipes or C. I. turned and bored pipes of standard specification in usual lengths.	4,275 R. ft.

JOHN BHORE,
Sanitary Engineer,
